### **7.3.1 Institutional Distinctiveness**

The purpose of the institution is the all-around personality development of the students. For this purpose, the institution organizes different activities which have enhanced the character and depth of the student's personality. For the academic performance of the students, teachers take classes regularly on the basis of the syllabus prescribed. The wholehearted use of ICT by teachers has facilitated a modern learning approach since the COVID-19 pandemic. Moreover, class tests, and unit tests, are conducted at the scheduled times which has improved students' performance in university exams. On different occasions seminars, workshops, essay, and poster competitions are conducted. Guest lectures are also conducted on competitive examinations such as MPSC and UPSC, This program has inculcated knowledge and awareness about competitive examinations among students. Many interesting activities such under the student Unit of Microbiologist Society of India, N.S.S, Cultural, sports, etc. Furthermore, our institution encourages students to participate in various extension activities such as environmental awareness, anti-superstitions awareness, Swatch Bharat Abhiyan, etc. for the overall development of students. At the Last our institution's vision, priority and trust are mainly focused on Academic and socio-centric activities, for instance, we are trying to take maximum efforts to conduct and organize various activities to cope with or to support the mentioned Vision, priority, and thrust.
